

महामृत्युंजय मन्त्रः            Maha Mrityunjaya Mantra

ॐ त्र्यम्बकं यजामहे सुगन्धिं पुष्टिवर्धनम्

उर्वारुकमिव बन्धनान् मृत्योर्मुक्षीय मामृतात् ॥

Om Try-Ambakam Yajāmahe Sugandhim Pusstti-Vardhanam

Urvārukam-Iva Bandhanān Mrtyor-Mukssiiya Mā-mrtāt | |

Om, We Worship the Three-Eyed One (Lord Shiva), Who is Fragrant (Spiritual Essence) and Who Nourishes all beings. May He sever our Bondage of Samsara (Worldly Life), like a Cucumber (severed from the bondage of its Creeper), and thus Liberate us from the Fear of Death, by making us realize that we are never separated from our Immortal Nature.

Oh Lord, salutations to you, Oh Lord of the Universe, Greatest of them all, He who has three eyes (eye of omniscience), he who gives enlightenment which is beyond three (Astral, Physical & Causal) worlds, He who like fire, devours all three times (Past, Present, Future) within himself, Like Time, he who ends everything, like time he who disciplines the world into order, He whose body is vast (blue like sky, oceans), He who has conquered Yama the Lord of Death/ Time. Lord of all Beings, Consciousness which is untouched by the world yet everything in the world is because of him. Oh great Lord, salutations to you.
